Creciente Owners:

Many mortgage companies require proof that the Association has Flood Insurance for all COMMON AREAS owned and maintained by the Association. Attached is a Certificate of Property Insurance demonstrating that coverage. Please be aware that this insurance does not cover damage in individual units.

The Association's Wind Insurance (Hurricane) is through the State of Florida Pool with Citizens. Again this covers only COMMON AREAS not individual units.

All other proof of insurance can be obtained by contacting the following Association's Insurance Broker:
